# Everything you need, all in one place

## Mineral Intelligence™

As your company grows or expands into new states, Mineral Intelligence™ will send proactive alerts to let you know exactly what steps you need to take to stay compliant—wherever you do business.

## Smart Employee Handbook

Easily create a federal- and single-state compliant handbook available for immediate download. Should regulations change, applicable policies in the handbook will be automatically updated to keep you compliant.

## Smart Employee Handbook Plus

All the power of the Smart Employee Handbook, plus the enhanced ability to create a multi-state compliant handbook, capture e-signatures and apply Spanish translations to support your diverse workforce.

## Workplace Safety

Reduce potential hazards and liability while creating a safer workplace for your employees. Course work includes everything from personal protective equipment and ladder safety to hazardous materials, transportation and more.

## Mineral Experts™

Get personalized guidance from an HR-certified expert who will answer your questions in simple terms you can actually understand.

## Core Courses

Boost your team's skills and engagement with Learn online employee training courses. Choose from over 125 courses, including compliance, human resources, customer service, professional development and more.

## Workplace Harassment Prevention

Build a strong, inclusive culture with this complete catalog of awareness training. Each e-learning course includes interactive state-mandated topics to ensure compliance as well as Diversity, Equity and Inclusion training.

## Anonymous Reporting

Empower your employees to anonymously report workplace concerns before they become larger issues—or a liability risk. This best-practices solution helps you manage and take action on reported incidents in a secure and timely manner.

Some solutions may require an additional subscription.
